## TEDDY GETS REPUDIATED BIG OFFER CONFESSION

C. W. POST ASKS HIM TO BECOME  
HEAD OF A NATIONAL TRADES  
WORKERS' ASSOCIATION AT A  
FANCY SALARY.

(Herald Special.)

New York, June 17.—The problem  
"what to do with our ex-presidents" is  
one that need not bother former Pres-  
ident Roosevelt. An offer of \$100,000  
a year has been made him by wire-  
less message, and all that he will be  
required to do to earn twice the salary  
he drew as chief executive of the  
United States will be to solve the  
problem of capital and labor. The  
offer was made Roosevelt by C. W.  
Post, who asked him to become the  
head of a national trades workers' as-  
sociation, formed for the purpose of  
settling labor troubles through arbi-  
tration. It is also suggested that the  
former president will become the edi-  
tor of a New York newspaper at a  
salary of his own making. The "Back-  
from Elba" demonstrators will invite  
him to get ready to again take his  
old job as chief executive.

Chas. K. Hamilton, the aviator, said  
today that he would try to fly over  
the incoming steamer on which Roose-  
velt is aboard as it enters the port.  
Frank Goodale also intends to try a  
similar feat in a dirigible.

Great crowds throng New York to-  
day and Roosevelt pictures are in evi-  
dence everywhere. The Kaiserin Au-  
guste Victoria is expected to arrive  
at 9 tomorrow morning. The Ro-  
siders are the idols of New York to-  
day.

## CHARLTON HAS SMILED

From Genoa According to Positive  
Proof Said to Be in Possession  
of the Police.

(Herald Special.)

Como, Italy, June 17.—The police in-  
vestigating the murder of Mrs. Mary  
Scott Charlton today declared that  
they had found positive proof that  
Porter Charlton sailed from Genoa on  
the steamer Vereona on June 8th and  
that he disembarked at Palermo, and  
there took passage for either Turkey  
or Africa. It is the theory of the  
police that he sailed for New York  
originally, but on learning of the dis-  
covery of the trunk containing the  
body of his wife left the ship and  
changed his course. It is stated to-  
day that an unassailable alibi has  
been found for Constantine Isapoloff,  
the Russian suspect, and he will be  
released. The search for Charlton's  
body in the lake is being kept up at  
the instance of the American state de-  
partment. The police refuse to give  
out other information regarding Char-  
lton's whereabouts.

steamer was four hundred and thirty-  
three miles east of Ambrose Channel.

was making good time.

REPRESENTATIVE LINK SAYS HE  
WAS FORCED TO CONFESS THAT  
HE WAS BRIBED TO VOTE FOR  
SENATOR LORIMER.

(Herald Special.)

Chicago, June 17.—Repudiating the  
confession made before the grand jury  
that he was bribed to vote for William  
Lorimer for United States senator,  
Representative Link today played the  
trump card for the defense in the  
trial of Lee Browne. Link testified  
that when Browne asked him to vote  
for Lorimer that he told him he would  
as he had already pledged his support  
and vote for Lorimer. He denied em-  
phatically that he was bribed. On  
cross-examination the witness charged  
that Wayman and the police "bully  
ragged" him into making a confession  
that he sold his vote. He swore that  
while he was before the grand jury  
he asked to see his wife and the per-  
mission was denied. Wayman told  
Link, according to the witness, that  
he must choose between his wife and  
the penitentiary. Link declared that  
he told Wayman afterwards that his  
confession before the grand jury was  
untrue.

Representative Beckmeyer said on  
the witness stand that he did not con-  
sider the \$1,000 paid him a bribe.

## ESTRADA CABRERA DYING

to Millions, Is Dying—A Victim  
of Tuberculosis.

(Herald Special.)

New Orleans, La., June 17.—E-  
strada Cabrera, son of president, Ca-  
brera of Guatemala, and the only heir  
to an estate valued at \$20,000,000, is  
at the point of death here as the re-  
sult of a shock from an attempted sui-  
cide, resulting from brooding over the  
fact that he is a victim of tuberculo-  
sis. He was hurried here in the  
hope of catching a vessel for Guate-

## Will Go Through Port San Antonio.

(Herald Special.)

San Antonio, Texas, June 17.—At  
least 25,000 bales of Southwest Texas  
cotton will this year go to the eastern  
and foreign markets through Port San  
Antonio, recently established at Aran-  
zas Pass. The channel connecting  
Port San Antonio with the government  
jetty will be completed by the time  
the first cotton comes on the market  
and a temporary wharf will be built  
for the accommodations of vessels.  
While the company owning the port  
has so far not given out the name of  
the line that will call at Port San An-  
tonio, it is known that all arrange-  
ments have been made. Permanent  
wharves and warehouses will be con-  
structed during the coming winter.

## Dragged to Death.

Austin, Texas, June 16.—Wilfred  
Kellum, the 9-year-old son of Charles  
Kellum, was today dragged to death  
by a horse in the sight of his mother.  
The child was playing with the horse,  
and innocently tied the halter around  
the horse's neck to his body. The  
horse became frightened and ran for  
several blocks. When it stopped the  
child's neck was broken and his body  
was frightfully bruised.
